

*Xtreme Guest*

Kristin Dickson-Okuda and Alex Olson

March 9–19, 2022

Kristina Kite Gallery is pleased to host the launch of *Xtreme Guest*: place settings designed in collaboration between Kristin Dickson-Okuda and Alex Olson. Each set includes four napkins and four napkin rings in a choice of two different styles, as well as limited edition sets that include four additional placemats that double as trays.

These place settings are not meant for everyday use but instead are intended to accentuate the ritual of gathering and contribute to notable occasions. They celebrate the *Xtreme Guest* through extreme hosting: amplifying, exchanging, honoring, reciprocating, serving, enhancing, facilitating, collaborating.

The place settings are staged in collaboration with furniture by Waka Waka, flowers by Brrch, and pillows, curtains, and tabletop accessories by Iko Iko.

Kristin Dickson-Okuda is the owner and designer of Iko Iko and Rowena Sartin. Alex Olson is an artist represented by Park View / Paul Soto in Los Angeles, and Altman Siegel in San Francisco.
